

Great Smoky Mountain Fly-In

Georgia Style

Thank you for attending the Third Annual Great Smoky Mountain Fly-in Georgia Style!!

Again, I would like to thank Jim Mac Cleay for creating this awesome fly-in and hosting it at Coopers Field in Morristown, Tn. Jim is one of the finest PPC instructors that I know and has successfully promoted this sport as well as the sport pilots certification for many years. It is with his permission and blessing that we will continue this fly-in at Big Dog/Cameron Field (GA81) in Warner Robins, Ga.

Also again, I would like to thank David and Stephanie Murphy for hosting this event. This event would not be possible without their help (and the runway of course). When you meet David and Stephanie, please thank them for their involvement..
